

Healing from the Last 40 Years and Hope for the Future

*"For you formed my inward parts; you covered me in my mother's womb.
I will praise You, for I am fearfully and wonderfully made."*

PSALM 139:13-14a

A sad truth of our culture is that one in five pregnant women will end their baby's life with an abortion. Since *Roe v. Wade*, 40 years of this tragedy has led to the loss of over 55 million lives. Additionally, two generations of women are suffering with emotional scars as a result of the abortion industry's deception and are in need of healing.

A few months ago Reverend Billy Graham wrote a letter addressing this tragedy, stating:

*"Millions of babies have been aborted and our nation seems largely unconcerned...
My heart aches for America and its deceived people. The wonderful news is that
our Lord is a God of mercy, and He responds to repentance."*

JOIN IN PRAYER

this January, Sanctity of Life Month

- **Pray** for pregnant women unsure about this life-changing decision, that unborn lives may be saved by God's hand through the body of Christ's influence. Pray for the power of ultrasound technology used at many pregnancy care centers. Since 2004, Focus on the Family's Operation Ultrasound has saved more than 146,000 lives!
- **Pray** for the women, men and families who have experienced abortion personally. Please pray for healing as they turn to the Lord for forgiveness and restoration.
- **Pray** for our elected officials to work diligently to save unborn lives. May God give wisdom and courage to these men and women in office and may they pass solid, Godly pro-life laws in the coming year, and we continue to see victories of hope.
- **Pray** for the body of Christ to continue to pray for and voice their support in defense of those unable to speak for themselves. (Proverbs 31:8)
