WHO WE ARE

A faithful voice in Florida's public square

Florida Family Voice is a nonpartisan biblical worldview organization and Florida's premier defender of Life, Marriage, Family, and Religious Liberty. We equip pastors, educate public leaders, engage the next generation, and help Christians steward their influence with clarity and courage.

OUR HOPE FOR FLORIDA

Our hope is a Florida that flourishes under God's design for life, marriage, family, and religious liberty.

In that effort, we exist to glorify God and advance the Gospel as the voice for biblical values in Florida's Capitol and culture. The Gospel and the Church are God's Plan A, so our work is to gather the conviction of Florida's believers into one collective voice, and to carry that voice where decisions get made.

WHAT WE DO
